

HALL CHADWICK

STEVEN NGUYEN

DIRECTOR OF AUDIT & ASSURANCE

Steven Nguyen is a Director and Partner of Audit & Assurance for Hall Chadwick Melbourne. Spending more than a decade with the company, Steven has continued to develop both professionally and personally during this time, helping him to maintain a high standard of service to his clients to ensure they are effectively operating their businesses and reaching goals.

Steven's role extends beyond his vast expertise in external and internal audit and assurance services, local taxation and business services across information technology, manufacturing, construction, and both incorporated and unincorporated retail industry associations, co-operatives and trusts. He is also a leader of the audit, assurance, and tax service sector, managing and mentoring a team of talented auditors to enable them to carefully navigate statutory obligations, whilst simultaneously identifying opportunities for clients to improve the efficacy of their business.

Steven works with client firms across the globe, operating in Australia, Europe, Asia, and North America. Thus, he has a strong international understanding of taxation requirements. His role includes working directly with client stakeholders to form strong relationships and facilitate long-term growth and results. Consequently, Steven has a particular focus on project management.

Boasting a strong academic background, Steven holds a Bachelor of Commerce, a Master of Professional Accounting (Accounting & Finance), and a Master of Commerce from RMIT. He is also a member of CPA and a Registered Company Auditor.
